Welcome/Roll Call

Approval of Minutes – January 19, 2022 Meeting

Unfinished Business

1. Shoreline Bicycle Routes

- How can we work to work to make Shore Road and other coastline routes safer for bicyclists. Concern raised by Ramsey at January meeting.
- John will contact the chairs of the York and Kittery Bike/Ped Committees to see how we could work together for this purpose.
- Contact Info from Charley:
 - York: Dave McCarthy at 207-363-2791 was Chair of the Bike/Ped Committee.
 - Kittery: Seacoast Area Bicycle Riders (SABR) - Steve Gerhartz, owner of electric bike shop on Route 1 North in Hampton, NH 603-294-0370 and Karen Saltus President of SABR 207-703-5323.

2. MDOT Planning Partnership Initiative (PPI)

- Next steps after being rejected by the Select Board and Budget Review Committee.
- Discussion last meeting centered around the need to do a better job campaigning for the request and to potentially partner with other committees in town (e.g. Planning Board, Sustainability) to be more successful.

3. Crosswalks that don't meet MDOT Guidelines:

- Town Manager to investigate what can be done at those crosswalks as a stop gap measure to keep delivery vehicles from blocking or blocking visibility to those crosswalks.

4. League of American Bicyclists National Bike Summit - March 27-30, 2022 Hybrid Event
 - Charley and Bruce registered to attend.
5. New RRFB on Main Street at Panache -- Tracking
 - MaineDOT does not currently have any of the units in stock and are uncertain when the contract might be fulfilled due to supply chain issues. At this point we don't anticipate having the RRFBs until sometime next spring. We are slated for two sets for installation on Main Street crosswalks at both ends of Glen Ave.
 - John will contact Rhonda and Doreen at Panache to give a heads-up on the planned RRFB installation near their shop.
6. Berwick Road Pedestrian Usage -- Tracking
 - The committee and Tom Torno decided that a paved 4 foot shoulder instead of a sidewalk would be better as it would allow for both pedestrians and bicycle users.
 - Tom talked about the sidewalk on Israel Head Road being replaced after the sewer line (under the sidewalk) is replaced later this year, and plan to build a sidewalk on Stearns Road.
7. LED Lighting - Tracking
 - Installation of LED streetlights on Main Street should be completed by April 2022.
 - Town Manager will send Real Term Energy crosswalks listed below where we have identified crosswalk lighting issues:
 - Captain Thomas Road
 - Gazebo Inn, 571 Main Street
 - The Milestone, 687 Main Street
