Approval of Minutes – March 16, 2022 Meeting

Unfinished Business

1. Shoreline Bicycle Routes
 - How can we work to make Shore Road and other coastline routes safer for bicyclists.
 - Dave McCarthy, Chair of York Bike-Ped Committee
 - Steve Gerhertz, Seacoast Bikes
 - Kendra Amaral, Kittery Town Manager
2. Wellness Weekend -- Ramsey
 - Ramsey is aiming to organize an informal meet up/open ride with some suggested routes and distances.
 - Ramsey is also hoping to organize an open schedule (anytime during that week) 10-15 mile QR code Scavenger Hunt for kids under 16.
 - John will speak to Jason Corbin from Parks and Recreation Committee about the initiative.
3. MDOT Planning Partnership Initiative (PPI)
 - Town Manager suggested that we could use American Rescue Plan Act (ARPA) funds to fund the town's portion of a Village Partnership Initiative. Committee members should attend forum and make recommendation for using ARPA funds for VPI. Use of ARPA funds would need to be approved in June Warrant.
 - John to check with Jason Corbin from Parks and Recreation on partnering on the PPI.
4. League of American Bicyclists National Bike Summit
 - Feedback from those attending.

5. New RRFB on Main Street at Panache -- Tracking
 - MaineDOT does not currently have any of the units in stock and are uncertain when the contract might be fulfilled due to supply chain issues. At this point we don't anticipate having the RRFBs until sometime next spring. We are slated for two sets for installation on Main Street crosswalks at both ends of Glen Ave.
 - John to contact Tom Torno on status.
6. Berwick Road Pedestrian Usage -- Tracking
 - The committee and Tom Torno had decided that a paved 4 foot shoulder instead of a sidewalk would be better as it would allow for both pedestrians and bicycle users. Project expected to be completed in fall 2022.
7. LED Lighting - Tracking
 - Installation of LED streetlights on Main Street should be completed by April 2022. John to check on status with Tom Torno.
