Conservation Commission
January Meeting Minutes

January 4, 2023

Meeting Started at 5:00PM
Members Present:
Everett Leach
George Cundiff
Jennifer Walker

Pledge of Allegiance

Exchange of contact info for members

Item 1: Old Boston Land
Jill Crosby- Great Works Land Trust
Keith Fletcher- Maine Coast Heritage Trust

Both of these representatives came to our meeting to discuss the Old Boston Land and how they plan to manage it.

They sell about 150 cords of wood/year as a fundraiser for their properties;
The land was purchased with money from the Land Trust Alliance and the Town of Ogunquit, as well as money from GWLT. GWLT owns the land and the town has a conservation easement on it.

They are putting boundary markers on the property, spaced 50 feet apart. There will be public access throughout the property.

They have built a 60x60 foot parking area for 10 cars, with a permit from the Town CEO.
We asked how they would address abutter concerns and how the trails would be laid out.
They are considering an ADA compliant trail loop, but the land has a no earth moving prohibition on it, which
