Dear Committee Member:

Over the last year there have been many changes and even more restrictions on gatherings and entering businesses. The Town of Ogunquit has always had the wellbeing of its residents, taxpayers, and visitors at the forefront of their concerns. Letters were mailed to all appointments over the last year but with the Pandemic it was understandable if a member did not feel comfortable coming into the Town Office to be sworn into office.

I thought this year I would try sending reminders via email. In the past I have sent mail reminders to be sworn into office and to submit your application to reapply to the respective committee. The application attached is a fillable form. Should your committee members need not apply I am still attaching the application in case you know of someone that would like to apply.

Below is a list of what I have for your committee members. Please note some members have been sworn in via Zoom and still need to come into the office to sign the paperwork. I have also noted if a member's appointment is due to expire. If your appointment is due to expire and would like to reapply, please submit the attached application to me by **June 11, 2021, at noon**. If you are still uncomfortable coming into the office, please let me know and I will come to you if necessary.

Thank you again and please feel free to contact me if you should have any questions.
Chris
